

# PROPANE KEEPS YOUR BUSINESS MOVING

## We're Local

Always have been...Always will be

- ▶ Local service contacts insure good customer service. We answer your call and address issues quickly.
- ▶ Local dispatching means your delivery is never far away.
- ▶ Local, attentive sales representatives give you access to GGD.
- ▶ Local service technicians address your issues quickly.
- ▶ Local, family-owned ownership means we are serving our community and neighbors.
- ▶ Local knowledgeable drivers run daily routes and know their territory.
- ▶ Local pricing experts study the propane market every day to make sure we are providing the best pricing for you.

## We're Focused

We focus on **Commercial and Industrial Customers** only. That means when cold weather arrives our attention remains on you.

## We Route by Usage

We schedule our **Keep Full** delivery routes based on your usage, assuring you don't run out of propane.

## We Stress Safety

We stress safety—with our customers and our employees. We offer **Safety Training** for all our customers and constantly train our employees.
